Dear Matt Hupfield

Thank you for your email. I appreciate that you may well be qualified and capable of providing an education for Adrian Kimber.

If you are unable to accept a review from Mr Birdsall at first hand I would like you to provide me with examples of Adrian's most recent work to align with your learning and teaching methodologies. English Maths Science and ICT as well as creative opportunities to demonstrate his knowledge skills and understanding would be helpful.

I would like to receive this by the 19th September or earlier.

Yours sincerely

Olaf Hindmarsh

Dear Mr Hindmarsh,

I am writing in reply to your letter dated August 1st. I would like to thank you for the offer of a visit from Mr Birdsall however we will be declining. I have QTS and have taught and worked in secondary schools for a number of years. My wife and myself are very confident in our ability to provide an appropriate education for Adrian and do not feel we need any assistance.

Yours sincerely,

Matt Hupfield
